ERRATA

Atomic Energy of Canada Limited

Application for amendment of the Chalk River Laboratories Nuclear Research and Test Establishment Operating Licence

- a) On page 4, paragraph 7: CMD number should be **08-H129** instead of 07-H129.
- b) On page 4, paragraph 13, the second sentence which reads as follows:

“That is, the Commission is of the opinion that Bruce Power Inc. is qualified to carry on the activity that the amended licence will authorize and that it will make adequate provision for the protection of the environment, the health and safety of persons and the maintenance of national security and measures required to implement international obligations to which Canada has agreed”

is changed to:

“That is, the Commission is of the opinion that **AECL** is qualified to carry on the activity that the amended licence will authorize and that it will make adequate provision for the protection of the environment, the health and safety of persons and the maintenance of national security and measures required to implement international obligations to which Canada has agreed”.
