Cameco Corporation Project Specific Guidelines Scoping Document for the Proposed Millennium Mine Project

Following a hearing on September 20, 2010, the Canadian Nuclear Safety Commission (CNSC), pursuant to sections 15 and 16 of the *Canadian Environmental Assessment Act*¹, approved the *Project Specific Guidelines Scoping Document - Millennium Mine Project*.

The following corrections are made to the English version of the *Record of Proceedings* document issued September 20, 2010 by the Canadian Nuclear Safety Commission, pertaining to the Project Specific Guidelines Scoping Document for the Proposed Millennium Mine Project.

1. On page 6 of the document, paragraph 36, the sentence

“The draft Guidelines state that the temporal scope of the project includes the site study area (the project footprint), the local study area; and the regional study area.”

is changed to

“The draft Guidelines state that the **spatial boundaries of the project include** the site study area (the project footprint), the local study area, and the regional study area.”

2. On page 8 of the document, paragraph 45, the sentence

“As part of its EA Decision Statement, the federal Minister of the Environment can then be refer the project to the Commission for a licensing decision, pursuant to the NSCA, to be considered at a public hearing of the Commission.”

is changed to

“As part of its EA Decision Statement, the federal Minister of the Environment **can then refer the project** to the Commission for a licensing decision, pursuant to the NSCA, to be considered at a public hearing of the Commission.”
