# *Revised Notice of Public Hearing*

---

October 27, 2010

Ref. 2010-H-06  
Revision 2

The Canadian Nuclear Safety Commission (CNSC) announces that the new dates for the public hearing for review of Hydro-Québec's application for the renewal and combining of its operating licences for the Gentilly-2 Nuclear Generating Station and its solid radioactive waste management facility in Bécancour, Quebec, are **December 10, 2010, in Ottawa, Ontario, and April 13 and 14, 2011, in Bécancour, Quebec.**

The dates initially planned for this hearing were August 18, 2010, in Ottawa, Ontario, and November 3 and 4, 2010, in Bécancour, Quebec. Hydro-Québec had asked the CNSC to move the hearing to later dates following Hydro-Québec's decision to postpone the Gentilly-2 reconstruction project.

On the first day of this hearing, the Commission Tribunal will also study Hydro-Québec's application for a six-month extension (to June 30, 2011) of the operating licences for the Gentilly-2 Nuclear Generating Station and the solid radioactive waste management facility.

Hearing Day One: **December 10, 2010**  
Place: CNSC Public Hearing Room, 14th floor,  
280 Slater Street, Ottawa, Ontario  
Time: as set by the agenda published prior to the hearing date

Hearing Day Two: **April 13 and 14, 2011**  
Place: Auberge Godefroy, 17575 Bécancour Blvd., St-Grégoire  
area, Bécancour, Quebec  
Time: as set by the agenda published prior to the hearing date

The public hearing will be webcast live and the recording will be available for a period of 90 days on the CNSC Web site.

The public is invited to comment on Hydro-Québec's application for the combining of its licences and for renewal for a period of five years on Hearing Day Two. Requests to intervene must be filed with the Secretary of the Commission by March 14, 2010, on-line at [nuclear.safety.gc.ca/eng/commission/intervention](http://nuclear.safety.gc.ca/eng/commission/intervention) or by post at the address below. Pursuant to the *Canadian Nuclear Safety Commission Rules of Procedure*, the request must include the following information:

- a written submission of the comments to be presented to the Commission Tribunal
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation
- the name, address and telephone number of the requester

Personal information such as the address and telephone number is essential for confirming the link between the submission and its author. If you want your personal information to remain confidential, please submit it on a separate page. The public may access all submissions by making a request to the Secretariat.

Hydro-Québec's submission and the CNSC's staff recommendations, which were filed for the public hearing of August 18, are available on request to the Secretariat. The supplementary submissions of Hydro-Québec and the CNSC that will also be filed for the hearing will be available after November 8, 2010. These documents are not available on-line. To obtain them, a request must be made to the Secretariat at the address below. Agendas, hearing transcripts and information on the public hearing process are available on the CNSC Web site:
