

Revised Notice of Public Hearing

September 8, 2011

Ref. 2011-H-02
Revision 2

The Canadian Nuclear Safety Commission (CNSC) announces a change in the date for Hearing Day Two on the application by Atomic Energy of Canada Limited (AECL) to renew its Nuclear Research and Test Establishment Operating Licence for the Chalk River Laboratories (CRL) located in Chalk River, Ontario. AECL has requested a five-year licence term. Hearing Day One was held on June 8, 2011 in Ottawa, Ontario.

Day Two of the public hearing will take place on October 4, 2011 only instead of October 4 and 5, 2011, as originally announced.

The renewed operating licence would allow the continued operation of the nuclear facilities at CRL, including the National Research Universal (NRU) Reactor and a number of waste management facilities. The operating licence would also allow the continued operation of radioisotope laboratories and the continued decommissioning of five shutdown nuclear facilities.

Hearing Day Two: **October 4, 2011**
Place: Chalk River & Area Lions Club Hall, 11 Kellett Street, Chalk
 River, Ontario
Time: as set by the agenda published prior to the hearing date

The public hearing will be webcasted live on the Internet via the CNSC Web site and archived for a period of 90 days.

AECL's submissions, CNSC staff's recommendations and the submissions filed by the public are available upon request to the Secretariat, at the address below or directly from the [Web site](#). These documents are not downloadable. Agendas, hearing transcripts and information on the public hearing process are available on the CNSC Web site: nuclearsafety.gc.ca
