

Notice of Public Hearing

February 7, 2012

Ref. 2012-H-01

The Canadian Nuclear Safety Commission (CNSC) will hold a one-day public hearing to consider Shield Source Inc.'s (SSI) application to renew its Nuclear Substance Processing Facility Operating Licence for its facility located at the Peterborough Municipal Airport, Peterborough, Ontario. SSI requested a renewal of the licence for a ten-year term.

SSI processes tritium gas to produce gaseous tritium light sources (GTLS) and manufactures radiation devices containing GTLS. Both the GTLS and the radiation devices are distributed in Canada and internationally.

Hearing: May 2, 2012
Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario
Time: as set by the agenda published prior to the hearing date

The public hearing will be webcasted live on the Internet via the CNSC Web site and archived for a period of 90 days.

The public is invited to comment on SSI's application. Requests to intervene must be filed with the Secretary of the Commission by April 2, 2012 directly on-line at <http://www.nuclearsafety.gc.ca/eng/commission/intervention/index.cfm> or at the coordinates below. Pursuant to the *Canadian Nuclear Safety Commission Rules of Procedure*, **the request must include the following information:**

- a written submission of the comments to be presented to the Commission;
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation; and
- name, address and telephone number of the requester.

Personal information, such as address and telephone numbers, is essential for linking the submission to its author. Please submit your personal information on a separate page if you wish to ensure its confidentiality. It should be noted that all submissions are available to the public upon request to the Secretariat.

SSI's submission and CNSC staff's recommendations to be considered at the hearing will be available after March 2, 2012. These documents are not downloadable. To obtain them, a request must be made to the Secretariat at the address below or directly from the Web site. Agendas, hearing transcripts and information on the hearing process are available at the CNSC Web site: www.nuclearsafety.gc.ca.
