

Revised Notice of Public Hearing

March 7, 2014

Ref. 2014-H-02
Revision 1

The Canadian Nuclear Safety Commission (CNSC) will hold a public hearing to consider an application from Best Theratronics Ltd. (BTL) to obtain a Class 1B licence for its facility located in Ottawa, Ontario, for a period of 5 years. The Commission has extended the deadline for interventions until April 14, 2014.

Hearing: May 8, 2014
Place: CNSC Public Hearing Room, 14th floor, 280 Slater Street, Ottawa, Ontario
Time: As set by the agenda published prior to the hearing date

The public hearing will be webcast live and then archived for a period of 90 days on the CNSC website nuclearsafety.gc.ca.

BTL is requesting a Class 1B licence that would consolidate its existing Device and Nuclear Substance licences and the Class II licences, and incorporate activities related to new and future activities proposed by BTL.

Members of the public who have an interest or expertise in this matter or information that may be useful to the Commission are invited to comment on BTL's application. Requests to intervene must be filed with the Secretary of the Commission by **April 14**, 2014, online at nuclearsafety.gc.ca/eng/the-commission/intervention or through the coordinates below. Pursuant to the *Canadian Nuclear Safety Commission Rules of Procedure*, **the request must include the following information:**

- a written submission of the comments to be presented to the Commission
- a statement setting out whether the requester wishes to intervene by written submission only or by written submission and oral presentation
- name, address and telephone number of the requester

Personal information, such as address and telephone numbers, is essential for linking the submission to its author. Please submit your personal information on a separate page if you wish to ensure its confidentiality. It should be noted that all submissions are available to the public upon request to the Secretariat.

BTL's submission and CNSC staff's recommendations to be considered at the hearing will be available after **March 14**, 2014. These documents are not downloadable. To obtain them, a request must be made to the Secretariat at the address below or directly from the website. Agendas, hearing transcripts and information on the hearing process are available at the CNSC website nuclearsafety.gc.ca.
