

Revised Notice of Public Hearing

December 21, 2017

Ref. 2018-H-01
Revision 1

The Canadian Nuclear Safety Commission (CNSC) announces a date change for the public hearing being held in January 2018 to consider an application from Canadian Nuclear Laboratories (CNL) for the renewal of its nuclear research and test establishment operating licence for Chalk River Laboratories (CRL).

In light of the number of interventions to be considered during the public hearing, one day (January 23) has been added to the hearing.

Dates: **January 23–25, 2018**
Place: Best Western Pembroke Inn & Conference Centre, Copeland/MacKay meeting room, 1 International Drive, Pembroke, Ontario
Time: As set by the agenda published prior to the hearing date

The public hearing will be webcast live and available for 90 days on the CNSC website at nuclearsafety.gc.ca.

CNL's submission, CNSC staff's recommendations and the submissions filed by members of the public are not available online. To obtain them, please contact the Secretariat at the coordinates below or request them directly from the website. Further information on this hearing or the public Commission hearing process is available on the CNSC website.

Note:

The Commission will not make any decision related to CNL's proposed Near Surface Disposal Facility at the CRL site during this public hearing. The Commission will schedule a separate public hearing for this matter at a later date.
