

Revised Notice of Participation at a Commission Meeting

August 8, 2024

Ref. 2024-M-17
Revision 1

Upcoming public meeting on the *Regulatory Oversight Report on the Use of Nuclear Substances in Canada: 2023*

The [Canadian Nuclear Safety Commission](#) (CNSC) will hold a public meeting in November 2024, where CNSC staff will present the *Regulatory Oversight Report on the Use of Nuclear Substances in Canada: 2023* (nuclear substances ROR). The facilities and activities covered by the nuclear substances ROR are located in the traditional and treaty territories of many Indigenous Nations and communities. **This revised notice is to announce a change to the meeting date and location. The meeting will now be held on November 7-8, 2024, in the Outaouais Room, 140 Promenade du Portage, Gatineau, Quebec, and virtually via Zoom.**

CNSC staff will provide their assessment of the safety performance of licensees in the medical, industrial, academic and research, and commercial sectors that used nuclear substances in Canada in 2023.

Meeting details

Date: **November 7-8, 2024**
Place: **Outaouais Room, 140 Promenade du Portage, Gatineau, Quebec, and virtually via Zoom**
Time: As set by the agenda published prior to the meeting date

The public meeting will be webcast live and available on the CNSC website at cncs-ccsn.gc.ca.

The nuclear substances ROR will be available for review on the CNSC website, or on request to the Registry, after **August 20, 2024**.

Participant funding

In advance of the public meeting, the CNSC offered up to **\$7,500** in funding through its [Participant Funding Program](#) (PFP). The purpose of the funding was to assist Indigenous Nations and communities, members of the public and interested parties in reviewing the nuclear substances ROR, and in participating in the Commission meeting process by providing topic-specific written submissions to the Commission. The deadline for submitting a completed participant funding application form to the CNSC was **April 19, 2024**. A funding review committee, independent of the CNSC, has been established to review funding applications.

Interventions

Persons who have an interest or expertise in this matter are invited to comment, in writing, on the nuclear substances ROR by **October 4, 2024**, using the [online request form](#), [email](#), or the contact information below. In addition, in the spirit of reconciliation and in recognition of the Indigenous oral tradition for sharing knowledge, Indigenous intervenors may make oral presentations if interested. Oral presentations may be conducted remotely. **The request to intervene must include the following information:**

- a written submission of the comments to be presented to the Commission
- a statement setting out whether the requester wishes to intervene by way of written submission only or by way of written submission and oral presentation
- the requester's name, address, telephone number and email address

Oral presenters who wish to use a PowerPoint presentation are asked to submit their slide decks to the Commission Registry by October 30, 2024. All submissions will be available for download on the CNSC website or on request to the Registry. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.

Individuals who require Indigenous language interpretation for the meeting are asked to contact the Commission Registry by August 30, 2024, to request interpretation services. If the request is received after this date, the Commission Registry will do its best to provide such services.
