Township of Huron-Kinloss

May 29, 2018

Township of Huron-Kinloss

- Bruce Power is situated within Bruce County and is a neighbour of the Township of Huron-Kinloss.
- Bruce Power is an important part of our community, providing high-paying secure jobs for our residents allowing us to grow in a economically sustainable manner and creating an attractive place to live and raise families.

Statement of Support

- The Township of Huron-Kinloss expresses its strong support for Bruce Power's 10-year Power Reactor Operating Licence extension for its eight-unit site, which will allow it to operate through 2028.
- We are confident that Bruce Power will continue to maintain safe and reliable operations and support our community socially and economically.

Safe Operations

- The Township of Huron-Kinloss commends Bruce Power for their Occupational Health and Safety Policy which states their Number One Value is “Safety First”.
- Their efforts to minimize risk to the public, visitors, contractors and employees by integrating robust and effective hazard management into their business planning and work activities are critical in protecting our community and environment.

Emergency Preparedness

- The Township of Huron-Kinloss is confident in Bruce Power's multi-faceted emergency response program.
- In the wake of the tsunami and nuclear incident at the nuclear facility in Fukushima, Japan, in 2011, The effectiveness of the response program is paramount in safeguarding our residents.

Positive Economic Impact

- The 10-year licence extension is vital to support economic growth to the local area.
- The collaboration of Bruce Power and the County of Bruce on the Economic Development and Innovation Initiative has recently seen over 12 suppliers open offices along the Lake Huron Shoreline creating hundreds of direct and indirect job opportunities for our current residence and encouraging new comers to our community.

Positive Economic Impact

- Huron-Kinloss is an active participant in Nuclear Industry Regional Advisory Committee co-chaired by Bruce Power to support local economic development.
- Bruce Power is working closely with our realtors and development community to find suitable opportunities for our existing, underutilized facilities in the region.

Community Involvement

- Bruce Power has worked hard to build strong roots in Bruce County and is committed to protecting the environment and supporting our communities.
- Bruce Power donates approximately \$2 million dollars yearly to many local non-profit community groups.
- Without this support many groups and events would cease to exist, leaving large gaps in services to our Community.

Good Neighbour

- We agree with the nine of 10 residents in Bruce, Grey and Huron counties that believe Bruce Power operates a safe facility, is a good community citizen, and contributes to the community in a positive way.
- Bruce Power has consistently engaged our community on the licensing process and day to day activities which is key in the public confidence the residents of Huron-Kinloss share.

Thank-you
