Please accept this letter of support and endorsement for the licence renewal for OPG Pickering Site.

I am in my thirtieth year as a full time Realtor serving the Durham and Clarington areas. My Relocation Service has given me a number of opportunities to work with OPG employees. I have been to several different locations and have been extremely impressed with the level of organization, safety, security and cleanliness. There has never been any hesitation in recommending my clients stay or relocate to the area.

OPG Pickering has been very diligent about keeping the community informed. The staff are always accessible and available to answer questions, address any concerns and are open and transparent in their communication.

As a long time member with the Ajax Pickering Board of Trade they have been actively involved and sit on various committees. Their name and sponsorship support is visible through local charity and fundraising events.

They are great community builders.

It is a pleasure to have OPG Pickering where we live, work and play.
