Canadian Nuclear Safety Commission,

RE: CNL (Whiteshell) Decommissioning Licence Renewal Request

On behalf of the **North Forge East**, I am pleased to write this letter in support of CNL's Decommissioning licence renewal for the Whiteshell Laboratories.

CNL is recognized for its safe operations - and from a business perspective as a vital member of the local economic supply chain. CNL and its workforce, places the highest priority of safe operations and the protection of the environment.

As employer to hundreds of local residents, it is amongst the largest employers in the region. CNL has collaborated with North Forge East on efforts to strengthen the local economy, promote entrepreneurship, encourage innovation and build regional innovation and entrepreneurial ecosystem.

CNL is a valued member and very important to our local economy.

Yours truly,

Shane Li B.COMM(HONOURS), MBA, M.Sc., CPIM, CSCP

President

North Forge East
