Question(s) from Commission Panel Member(s)	Question(s) des membre(s) de la formation de la Commission
---	--

The Panel of the Commission, in conducting a Hearing in Writing¹ to consider the revised preliminary decommissioning plan and financial guarantee proposed by Nordion (Canada) Inc., has reviewed the written submission provided by CNSC Staff in Commission Member Document (CMD) CMD 22-H106. The Panel of the Commission requires additional information with respect the question(s) set out below.

QUESTIONS

The Panel’s questions for CNSC staff are set out in Table 1, below.

Table 1: CMD 22-H106-Q Questions for CNSC staff

#	Commission Panel Question(s)
1.	How was the amount of \$10,121,702 calculated as being the amount of the total decommissioning work attributable to the BWXT Medical facilities?
2.	Is CNSC staff satisfied with the method of calculation that led to Nordion’s position that \$10,121,702 is attributable to the BWXT Medical decommissioning scope of work and what due diligence has CNSC staff done to verify the calculation?
3.	Will CNSC staff’s next steps include ensuring that the financial guarantee obligation of BWXT Medical is reviewed and adjusted accordingly?

REQUEST

CNSC staff shall submit responses by way of supplementary CMD on or before 2023-01-13, if possible. CNSC staff is expected to inform the Registry of any concerns respecting this deadline within five working days of receiving this CMD-Q.
