Re: Comment on Request for Ruling – Public Hearing on Cameco
Beaverlodge

With regard to the matter of the request from Ya'thi Nene to postpone the hearing scheduled for March 23/24 into Cameco's application to amend the Beaverlodge Waste Facility Operating Licence:

The Saskatchewan Environmental Society (SES) appreciates the opportunity to comment on this request prior to a CNSC ruling.

As the First Nations involved make a very strong case for their claim that the Duty to Consult and Accommodate has not been fulfilled, SES supports Ya'thi Nene's request for postponement.

Ya'thi Nene's requests concerning CNSC hearing processes, raised in their "Issue 2" discussion, reflect concerns that have been previously raised by other intervenors and which need to be addressed by the Commission.

Sincerely,

A handwritten signature in black ink, appearing to read 'Ann Coxworth', is written over a light blue rectangular background.
