Re: PFP 24-DAR-02 – AOO - Darlington Nuclear Generating Station Operating
License for the production of additional isotopes (CP-48)

To whom it may concern,

Upon the AOO's review of the OPG Darlington facility amendment for the new Isotope project, we have found no initial outstanding concerns. Currently, our only request is that we change the AOO's contact information on page 109 of the document. We request that the contact Melissa Knight be changed to contact Josee Rochon and Gabriel Pearce. The new contact info is as follows:

Josee Rochon – Finance & Operations Manager
Cell: 613-218-4273
Fax: 613-735-6307
Email: jrochon@tanakiwin.com

Gabriel Pearce – Cultural & Nuclear Liaison
Cell: 343-567-0226
Email: gpearce@tanakiwin.com

We appreciate OPG Darlington's outreach to the AOO on this project, we would like to continue to work hand in hand on this project with OPG and the CNSC.

Best regards,

Gabriel Pearce
Cultural & Nuclear Liaison
