**Re: Support for NexGen's Rook 1 Project—Request to Participate in Commission Hearing**

To whom it may concern;

I am writing on behalf of Twin Lakes Community School to express our full support for NexGen's proposed Rook 1 Project and to confirm our intention to participate in the February 2026 Commission Hearing. Our students have benefited from NexGen's partnership, and we are pleased to offer a written submission of support. At the time, we are prepared to participate through written submission only, unless otherwise advised.

NexGen has partnered with our school to provide out of community experiences for our students. They have taken them to Vancouver to participate in the Youth Mentorship Program with the Vancouver Canucks and to Saskatoon to participate in the Youth Mentorship Program with the Saskatoon Blades and the Saskatoon Rush teams. As well, NexGen has facilitated many career fairs in our school, as well as run a "Ready to Work" for NexGen program for community members out of our school.

Our partnership with NexGen has strengthened our school community and provided opportunities for our students to see outside the bubble of our school and community of Buffalo Narrows. Although we have not received any funds directly to our school, we can see the social and economic benefits that NexGen is providing to community groups in Buffalo Narrows.

Thank you for the opportunity to participate in this process. Please feel free to contact me if any additional information is required.

Sincerely,

A handwritten signature in black ink, appearing to read "Gillian Hanson", with a stylized flourish at the end.
