<sup>2</sup> *Written Submission from the Willow Lake Métis Nation (Redacted)*, retrieved from the CNSC website: <https://api.cnsc-ccsn.gc.ca/dms/digital-medias/CMD25-H12-49-WLMN-SUB-REDACTED.pdf/object>, January 20, 2026.

The Commission is satisfied that:

- as per subrule 12(1)(b) of the *Rules*, the document in Table 1 contains Indigenous Knowledge that is consistently treated as confidential; and
- as per subrules 12(2)(a) and 12(2)(b) of the *Rules*, protection of the information outweighs in importance the public interest in public hearings and disclosure of evidence, and the measure taken is designed so as not to affect the public nature of the proceeding except to the extent necessary to adequately protect the information.

Therefore, applying subrules 12(3)(b) and 12(3)(c) of the *Rules*, the Commission orders that the publication or disclosure of information given to the Commission in document 1 be prohibited, as described in Table 1.
