Submission

Written Submission: I, Andrew Smith, want to show my personal support for Cameco's Licence renewal application (The current licence FFOl-3631.00/2027, issued on February 28, 2017, Exp. February 28, 2027) I am currently living and studying in the community and I can confirm that Cameco has an excellent reputation for safety, providing excellent career opportunities, fair wages, equality, indigenous consideration, and giving back to the communities of Cobourg, Port Hope, and surrounding Northumberland area's generously. I have no affiliation with Cameco other than the fact that I am a student currently half way through Loyalist College's Radiation Safety course and will be depending on our local Nuclear industry to thrive as I start my career. I have heard many positive things from professors, current employees, and industry leaders who have worked at Cameco or with Cameco in their careers.
