Port Hope's Submission to the CNSC Hearing November 3rd to 5th 2026 Regarding Cameco's 20-year Licence Extension Application for its Port Hope Conversion Facility

MUNICIPALITY OF

PORT HOPE

The Municipality of Port Hope is the host community for Cameco's Port Hope Conversion Facility. Council and staff reviewed Cameco's application and are supportive of a 20-year licence extension and offer the following comments:

- Cameco regularly reports to Council on its operations and safety programs
- Cameco has a solid track record of responding to any inquiries
- Cameco is a long-standing corporate entity in Port Hope that employs many people and contributes greatly to the local and regional economy
- Cameco regularly liaises with Fire and Police services to ensure public safety

Alignment of Cameco's Licence Extension Application with Port Hope Council's Strategic Plan

Strategic Plan Pillar 2: Prosperous

Strategic Plan Objective: Make Port Hope a premiere investment and development-ready location

Cameco's 20-year licence extension application is aligned with Council's strategic plan objectives pertaining to:

- ✓ employment
- ✓ community safety
- ✓ emergency preparedness, and development of Port Hope's workforce and economy

At the September 15th regular Council meeting, Council considered Staff Report CAO-10-26 regarding Cameco's 20-Year Licence Extension and passed the following Resolution:

Resolution 189-2026

Moved by Councillor Holloway Wadhwani

Seconded by Councillor Attridge

That Council advises the Canadian Nuclear Safety Commission (CNSC) that the Municipality of Port Hope supports Cameco's request for a 20-year licence extension at its Conversion facility;

That staff be authorized to request intervenor status, and with a request for interim 10-year fulsome reporting ("check-in") on the terms of the licence, as appropriate; and

That staff be directed to appear and make submissions at the CNSC hearing at which this licence extension request will be considered, as appropriate.
