Re: Ontario Power Generation Pickering Nuclear License Renewal

To Whom it May Concern:

On behalf of the Rotary Club of Ajax, I wish to offer its support for the above noted renewal. The facility is essential to the province and the local community.

Rotarians know who is involved in supporting our community and it is Ontario Power Generation (OPG) Pickering. They are a leader in our community, so much so that the club has honoured them formally for their contributions.

Without their support, Ribfest, our biggest fundraiser of the year, would not have happened. The fact that it did allows us to support dozens of local charities, including the Ajax Pickering Hospital, Windreach Farm, Grandview, the Durham Hospice. OPG's support has had a huge multiplier effect in a positive way.

Rotarians in this community know that OPG has operated its Pickering facility in a clean and safe manner. This facility is helping power the province and our local communities. We are proud to have them here and cannot thank them enough for all that they do.

Yours very truly,

A handwritten signature in dark ink, appearing to read "Lon Harnish". The signature is fluid and cursive, with the first name "Lon" being more prominent.

Lon Harnish

Past President – Rotary Club of Ajax
