Subject: Licence Condition Wording

EXTERNAL EMAIL – USE CAUTION / COURRIEL EXTERNE – FAITES PREUVE DE PRUDENCE

Good afternoon, Candace

Please find requested additional language to the current Licence Condition G7. We understand from discussions with Adam that the Licence Condition is to be high-level with the Handbook being the document which details how the Licensee shall meet the licence condition.

We believe the additional language is high-level and the Handbook will be required to work out the details.

The additional language is a part of a tangible way for the Crown to uphold UNDRIP, protect Section 35 rights and discharge its obligations.

The licensee shall implement and maintain an Indigenous engagement program. In respect of the Michi Saagiig Anishinaabeg of the Williams Treaties First Nations the licensee shall integrate Indigenous knowledge as shared, and where appropriate, into policies, procedures, and regulatory documents.

Thank you,
Kate
