

Notice of Request for Confidentiality

October 15, 2024

CMD 25-H3

Pursuant to rule 12 of the [Canadian Nuclear Safety Commission Rules of Procedure](#), **Cameco Corporation (Cameco)** has requested that information associated with the following matter be kept confidential:

Cameco Corporation's application to release the final set of decommissioned Beaverlodge mine and mill site properties from CNSC licensing for acceptance into Saskatchewan's Institutional Control Program, resulting in the revocation of its waste facility operating licence.

The Canadian Nuclear Safety Commission (CNSC) is seeking comments from the public on the request. Details on this public hearing can be found in the [notice of public hearing](#).

Request for confidentiality

Cameco has submitted a [request for confidentiality](#) in relation to the document:

1. *Decommissioned Beaverlodge Mine Site: Model Update and Environmental Risk Assessment, July 2020.*

The request also contains a non-confidential summary of the document for which Cameco has requested confidentiality. Prior to the hearing, the Commission will render a decision under rule 12 on what measures, if any, are to be taken to protect the confidential information. In making its decision, the Commission will consider Cameco's request along with any comments received from other interested parties.

To comment on this request

Interested parties who want to comment on this request for confidentiality are invited to file a written submission with the [Commission Registry](#) explaining:

- a. why the material should or should not be made public
- b. why the available or proposed non-confidential material is or is not sufficient
- c. if applicable, the specific information that should be made available to the public, and why

Comments on the request for confidentiality must be filed with the Commission Registry no later than October 28, 2024.
