Dear Sir/Madame,

RE : Comment on DIS-17-01 Framework for Recovery in the Event of a Nuclear or Radiological Emergency

Thank you for the opportunity to comment on DIS-17-01 Framework for Recovery in the Event of a Nuclear or Radiological Emergency.

My comment is limited to Q26. I was surprised that the *Canadian Guide on Medical Management of Radiation Emergencies*, Health Canada May 2015 was **not** listed in the Bibliography.

Sincerely,

J. Dovyak
