**Re: Intervention Support - Canadian Nuclear Laboratories Operating Licence Renewal  
Application Chalk River Laboratories, Chalk River Ontario**

Dear Ms. Frigault,

I am writing this letter on behalf of myself, and the residents of the Town of Laurentian Hills, to convey our support for the Canadian Nuclear Laboratories (CNL) application to renew its operating licence for the Chalk River Laboratories.

The Town of Laurentian Hills, surrounds both the Town of Deep River and CNL itself. Access to the Chalk River Laboratories site is by way of our Municipal road (Plant Road) located in the Village of Chalk River.

CNL is a major employer in our area, employing thousands of employees, not only in our municipality but throughout the Ottawa Valley. The economic spin off and impact of CNL, has contributed to the success of small and large businesses throughout our Region.

CNL continues to be an upstanding corporate citizen, their interaction with the County of Renfrew Municipalities has been outstanding. Their continual communications have kept us informed of all their operations and activities and their commitment to safety and the environment is commendable.

I strongly encourage the CNSC to renew the operating licence as applied for. If you have any questions or would like additional information please feel free to contact me.

Yours truly,

A handwritten signature in blue ink, appearing to read 'John (Jed) Reinwald'.

John (Jed) Reinwald  
Mayor
