

## Notice of Participation at a Commission Meeting and Participant Funding

July 8, 2020 Ref. 2020-M-03

Upcoming public meeting on the Regulatory Oversight Report for Nuclear Power Generating Sites in Canada: 2019

In December 2020, the Canadian Nuclear Safety Commission (CNSC) will hold a public meeting, where CNSC staff will present the *Regulatory Oversight Report for Nuclear Power Generating Sites in Canada: 2019* (NPGS ROR), which will consist of a report as well as a presentation. The NPGS ROR will provide CNSC staff's assessment of the Canadian nuclear power industry's safety performance for both nuclear power plants and on-site waste management facilities during the 2019 calendar year, with limited updates regarding certain developments in 2020.

Following the presentation of the NPGS ROR, CNSC staff and Ontario Power Generation (OPG) will provide an update on OPG's refurbishment project at the Darlington Nuclear Generating Station (NGS). CNSC staff's presentation will focus on its assessment of the safety of the work carried out by OPG and the CNSC's oversight of the work.

Date: December 8, 9 and 10, 2020

Place: CNSC public hearing room, 14th floor, 280 Slater Street, Ottawa, Ontario or

virtually, via videoconference (to be determined later and confirmed via a revised

Canad'ä

notice)

Time: As set by the agenda published prior to the meeting date

The public meeting will be webcast live and available on the CNSC website at nuclearsafety.gc.ca.

In advance of the public meeting, the CNSC is making available up to \$35,000 in funding through its Participant Funding Program. The purpose of the funding is to assist Indigenous peoples, members of the public and stakeholders in reviewing CNSC staff's NPGS ROR and the Darlington NGS update on the refurbishment project, and participating in the Commission meeting process by providing topic-specific written submissions to the Commission. PFP applications must clearly demonstrate how the proposed submission will provide the Commission with information directly relating to the NPGS ROR, licensee safety performance at CNSC-licensed nuclear power generating sites during 2019 and/or the Darlington NGS refurbishment update. Please note that the \$35,000 will be disbursed among all successful applicants. The deadline for submitting a completed participant funding application form to the CNSC is August 7, 2020.

The NPGS ROR and CNSC's staff submission regarding the Darlington NGS refurbishment update will be available for review on the CNSC website, or on request to the Secretariat, after **October 5, 2020**.

Persons who have an interest or expertise in this matter are invited to comment, in writing, on the NPGS ROR and/or the Darlington NGS refurbishment update by **November 16, 2020** using the online request form or the contact information below. The submission must include your name, address, telephone number and email address. In addition, the CNSC will allow Indigenous intervenors the opportunity to make oral presentations in the spirit of reconciliation and in recognition of the Indigenous oral tradition for sharing knowledge. Due to potential travel restrictions or limitations in relation to the COVID-19 pandemic, oral presentations will be conducted remotely.

All submissions will be available for download on the CNSC website or on request to the Secretariat. Personal information, such as address and telephone number, is essential for linking the submission to its author. If you wish to ensure the confidentiality of your personal information, please submit it on a separate page.
