

Revised Notice of Public Hearing

February 10, 2020

Ref. 2020-H-01
Revision 4

The Canadian Nuclear Safety Commission (CNSC) announces a date change for the public hearing to consider the application from BWXT Nuclear Energy Canada Inc. (BWXT) to renew its Class IB fuel facility operating licence for a period of 10 years. Under its current licence, BWXT operates two separate facilities: one in Toronto and one in Peterborough.

In light of the number of interventions to be considered during the public hearing, one day (March 4) has been added to the hearing in Peterborough.

Dates: March 2 and 3, 2020
Place: Casa Do Alentejo Community Centre, 1130 Dupont Street, Toronto, Ontario

Dates: **March 4, 5 and 6, 2020**
Place: Regency Ballroom, Holiday Inn Peterborough Waterfront, 150 George Street North, Peterborough, Ontario

Time: As set by the agenda, to be published prior to the hearing date

The public hearing will be webcast live on the CNSC website at nuclearsafety.gc.ca.

BWXT's licence renewal application is posted on its [website](#). BWXT's submission, CNSC staff's recommendations and the submissions filed by members of the public are available [online](#) or from the Secretariat using the contact information below. Further information on this hearing or the public Commission hearing process is available on the CNSC website.
