# *Notice of Participation at a Commission Meeting*

---

June 16, 2015

Ref. 2015-M-02

## **Regulatory Oversight Report for Canadian Nuclear Power Plants: 2014**

The Canadian Nuclear Safety Commission (CNSC) will hold a meeting on August 20, 2015, during which CNSC staff will present its *Regulatory Oversight Report for Canadian Nuclear Power Plants: 2014* (2014 NPP report). This report provides an assessment of the safety performance at each nuclear power plant (NPP), makes generic observations, and identifies trends for the nuclear power reactor industry as a whole. The 2014 NPP report includes the annual update on the implementation of safety enhancements by licensees in response to TEPCO's Fukushima Daiichi accident. The report also includes the annual update on the Darlington New Nuclear Project. The NPP report was formerly entitled *CNSC Staff Integrated Safety Assessment of Canadian Nuclear Power Plants*.

Meeting Date: August 20, 2015

Place: CNSC public hearing room, 14<sup>th</sup> floor, 280 Slater Street, Ottawa, Ontario

Time: As set by the agenda published prior to the meeting date

The public is invited to comment, in writing, on this meeting item. Written submissions must be filed with the Commission Secretary by July 16, 2015 [online](#) or at the coordinates below. Please also include your name, address and telephone number.

You may submit your personal information on a separate page if you wish to ensure its confidentiality. All submissions are available to the public on request to the Secretariat.

The [2014 NPP report is available online](#) or by sending a request through the Secretariat at the coordinates below.

The agenda for the meeting will be available after August 4, 2015 on the CNSC website at [nuclearsafety.gc.ca](http://nuclearsafety.gc.ca).
