

Notice of Request for Confidentiality

September 3, 2024

CMD 25-H100

Pursuant to rule 12 of the [Canadian Nuclear Safety Commission Rules of Procedure](#), **Ontario Power Generation Inc. (OPG)** has requested that information associated with the following matter be kept confidential:

OPG's application for an amendment to the Darlington Nuclear Generating Station power reactor operating licence, to authorize the production of additional medical isotopes

The Canadian Nuclear Safety Commission (CNSC) is seeking comments from the public on the requests. Details on this public hearing can be found in the notice of public hearing.

Requests for confidentiality

OPG has submitted [2 related requests](#) for confidentiality on this matter:

1. Request for confidentiality of material submitted in relation to CD# NK38- CORR-00531-25141, Darlington NGS – Application for amendment to the Darlington NGS power reactor operating licence 13.03/2025 for additional isotope production
2. Request for confidentiality of material submitted in relation to CD# NK38-CORR-00531-25215, Darlington NGS – Redacted application for amendment to the Darlington NGS power reactor operating licence 13.03/2025 for additional isotope production

The requests also contain non-confidential summaries or redacted versions of the documents for which OPG has requested confidentiality. Prior to the hearing, the Commission will render a decision under Rule 12 on what measures, if any, are to be taken to protect the confidential information. In making its decision, the Commission will consider OPG's requests along with any comments received from other interested parties.

To comment on this request

Interested parties who want to comment on this request for confidentiality are invited to file a written submission with the [Commission Registry](#) explaining:

- a. why the material should or should not be made public
- b. why the available or proposed non-confidential material is or is not sufficient
- c. if applicable, the specific information that should be made available to the public, and why

Comments on the request for confidentiality must be filed with the Commission Registry no later than September 16, 2024.
