The Canadian Nuclear Safety Commission (CNSC) is providing participant funding for

The maximum amount of funding available for this matter is \$ \_\_\_\_\_

All complete funding application forms must be submitted by \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_  
YYYY MM DD

**Please note:**

1. Anyone can request to intervene at a public hearing of the Commission. However, participant funding will only be provided to funding applicants whose proposed activities are expected to bring value-added information to the CNSC. Value-added information is new, distinctive and relevant information that contributes to a better understanding of a project's anticipated effects.
2. The PFP has limited financial resources available for this matter. As there will likely be multiple funding applications, participants with similar proposals are encouraged to work together.
3. No single applicant is likely to receive the entire amount of funding available for this particular matter. Available funding will be distributed among successful applicants based on the merit of their proposals.
4. Completing this funding application form does not guarantee that funds will be granted or that the entire amount requested will be granted to the applicant.
5. The CNSC may, only in special circumstances and upon the recommendation of the Funding Review Committee or the President, increase the total funding amount available for the matter at hand.
6. A contribution agreement will be sent to each successful funding applicant. It will outline the required deliverable and the maximum amount of funding approved for the matter at hand. The successful funding applicant must sign and return the contribution agreement. In order to receive the approved funding, the recipient agrees to fulfill all the conditions of the contribution agreement.
7. Incomplete or late funding applications for the PFP will not be considered by the CNSC in the context of this particular matter.
8. All funding applicants must agree with the terms and conditions of the CNSC's PFP before submitting their applications for funding.
9. The personal information collected on this form is required to communicate with funding applicants and to help determine their eligibility for the PFP. The personal information is collected for the PFP, which was established under the authority of paragraph 21(1) (b.1) of the *Nuclear Safety and Control Act*. The collection of personal information on this form is mandatory and failure to provide this information will result in the rejection of the funding application. For reasons of accountability, the name, contribution amount and the type of activity funded as a result of successful funding applications may be disclosed publicly by the CNSC. All personal information received under the Participant Funding Program will be protected and managed according to the *Privacy Act*. Personal information collected for this process is described in the Participant Funding Program Personal Information Bank PPU 030. For more information please see the CNSC Participant Funding Guide.
