

REQUEST FOR CONFIDENTIALITY

OF MATERIAL SUBMITTED IN RELATION TO CMD # 23-H107

In the matter of:

Cameco Corporation's Port Hope - Conversion Facility Financial Guarantee

This request has been prepared in Canada, in the province of Ontario, in the matter of Revised Preliminary Decommissioning Plan and Financial Guarantee for Cameco Corporation's Port Hope Conversion Facility, scheduled for consideration in a Hearing in Writing in December 2023.

I, Dale R. Clark, of [REDACTED], am an authorized representative of Cameco Corporation, Port Hope Conversion Facility. I understand that:

- documents and information ("the material") provided to the Canadian Nuclear Safety Commission ("the Commission") as part of a public proceeding may be made publicly available;
- the material is considered confidential only if it is prescribed information under the [Nuclear Safety and Control Act](#) (NSCA), as defined in section 21 of the [General Nuclear Safety and Control Regulations](#), or if the Commission takes measures to protect the information; and
- regardless of any request for confidentiality or approval of same, the material may be disclosed if the Commission is required by law to disclose it (for example, after a request under [Access to Information Act](#)).

I hereby request that the Commission take measures to protection the following information, pursuant to rule 12 of the [Canadian Nuclear Safety Commission Rules of Procedure](#):

Note: Where the request for confidentiality applies only to part of the submission, the portions to be deemed confidential must be clearly identified to distinguish them from any content that is non-sensitive.

TABLE 1: MATERIAL TO BE DEEMED CONFIDENTIAL		
	Item Name	Portion(s) to be Deemed Confidential
1.	Port Hope Conversion Facility Preliminary Decommissioning Plan 2022	<input checked="" type="checkbox"/> Entire content <input type="checkbox"/> Redacted content as shown

This request is made pursuant to the following paragraph(s) of rule 12 of the [CNSC Rules of Procedure](#):

- 12(1) (b) the information is confidential information of a financial, commercial, scientific, technical, personal or other nature that is treated consistently as confidential and the person affected has not consented to the disclosure

Further,

1. The above-noted material should be protected for the following reasons:
 - The above referenced document is considered confidential and proprietary in its entirety, as it contains confidential information of a financial, commercial, scientific and technical nature and is treated consistently as confidential by Cameco Corporation.
 - The confidential commercial, financial and technical information that is consistently treated as confidential by Cameco Corporation and was provided to the CNSC with the expectation of confidentiality. Cameco Corporation does not consent to the disclosure of this information.

REQUEST FOR CONFIDENTIALITY

- The document contains prescribed information pursuant to s. 21 of the *General Nuclear Safety and Control Regulations* and controlled nuclear information, which is also prescribed information, pursuant to the *Nuclear Non-proliferation Import and Export Control Regulations*, as the document contains details of the facility design, including materials of construction, layout and dimensions of process equipment, control systems and proprietary technology.
 - The document contains information the disclosure of which could reasonably be expected to prejudice Cameco's competitive position, as the document contains details of Cameco's business practices, including the rationale underlying cost estimates and assumptions related to preliminary decommissioning planning and cost estimating that would be beneficial to Cameco's competitors.
2. I attest that the above-noted material is not available through any public sources.
 3. I have included a **summary** version of the material that provides adequate detail to satisfy the public interest in public hearings and disclosure of evidence.
 4. I understand that if this request is not approved by the Commission, I may withdraw the associated material within five business days of receiving written notice of the Commission's decision from the Commission Registrar (except as noted in items 5 and 6, below).
 5. Notwithstanding item 4, above, I understand that if submission of the material is required pursuant to reporting requirements under the [NSCA](#) or the regulations under the NSCA, or pursuant to a licence issued under the NSCA, or if the material is specifically requested by the Commission, it may **not** be withdrawn.
 6. I understand that upon receipt of this request, the Commission Registrar will treat the material that is subject to this request as confidential unless and until the Commission makes a ruling to deny this request.
