

Revised Notice of Request for Confidentiality

January 3, 2024

Ref 2024-H-103
Revision 1

The Canadian Nuclear Safety Commission (CNSC) announces that, pursuant to rule 12 of the *Canadian Nuclear Safety Commission Rules of Procedure*, BWXT Nuclear Energy Canada Inc. (BWXT NEC) has requested that information associated with the following matter be kept confidential:

BWXT NEC Toronto and Peterborough – Revised Financial Guarantees

This revised notice is to announce an extension to the deadline for objections to the request for confidentiality. Objections are now due by January 10, 2024.

The items specified in this request include:

1. BWXT NEC Toronto and Peterborough Preliminary Decommissioning Plan 2023

This request will be brought before the Commission in a written hearing in January 2024 to ensure that a ruling is made on the question of confidentiality before the proceeding.

Members of the public or intervenors who have objections to the request for confidentiality are invited to make a written submission to the [Commission Registry](#) explaining:

- a. why they believe the material should be made public
- b. why access to the proposed non-confidential material is insufficient
- c. if applicable, the specific information that should be made available to the public, and why

Objections to the request for confidentiality must be filed with the Commission Registry no later than **January 10, 2024**.
