To Whom It May Concern,

Motion Canada, headquartered in Burnaby, BC is a distributor of industrial parts. We are a wholly owned subsidiary of Genuine Parts Company. Motion Canada has had a long-term partnership with BWXT and has been supplying MRO parts and services for over 10 years.

We are writing to express our support for BWXT NEC's application for a 10-year license renewal. BWXT Nuclear Energy Canada Inc. (BWXT NEC) has a long history of safe operations; their number one priority is the health and safety of their employees, members of the public and the environment. BWXT NEC has operated safely for over 50 years and performs emergency response drills regularly. BWXT employs approximately 400 highly skilled employees in Ontario and provides a quarter of the fuel to power the province of Ontario.

Motion Canada has many shared values with BWXT and is proud to offer our full support in their application for a 10-year license renewal.

Sincerely,

David Poole
