Good evening,

I am emailing you to express my opposition to the BWXT pelleting site in my neighbourhood.

It is not safe to have a facility near/in a residential area, in this city.

I live near Bloor and Dovercourt, and I am alarmed to hear this factory exists so close to my home. I had no idea it was there.

BWXT should leave Toronto now.

I intend to tell everyone I know who lives in the area, now that I know this facility is there.

Sincerely,

Sandra Lindgreen
