Written Submission:

Dear Sir / Madam,

C. & T. Tool & Machine Inc. (C. & T. Tool) is a privately owned corporation, founded in 1962 and located in Peterborough, Ontario.

C & T Tool is writing to express our support for the Renewal of the Class IB fuel facility operating licence including the change regarding the pellet manufacturing operations for BWXT Nuclear Energy Canada Inc.'s facilities in Peterborough and Toronto, Ontario

C. & T. Tool has been a dedicated and continuous supplier to BWXT Nuclear Energy Canada Inc. (previously to GE Hitachi Nuclear Energy Canada Inc.) for over 50 years. C. & T. Tool presently has 46 highly skilled employees including Tool & Die Makers, Designers, Programmers, CNC machinists and Quality Control Inspectors. Our employees are held to a high level of standard for quality and safety due to the strict requirements of our customers including BWXT Nuclear Energy Canada Inc.

BWXT Nuclear Energy Canada Inc. has a long history of safe operations. Their number one priority is to ensure health and safety of their employees as well as members of the public and the environment.

BWXT Nuclear Energy provides a significant economic and social benefit to Ontario and to Canada by employing hundreds of skilled people and for supporting the community. The renewal of the operating licence will ensure employment at BWXT as well as the survival of vendors supplying BWXT. The renewal of the operating licence will ensure employment at BWXT as well as the survival of vendors supplying BWXT. The approval of the operating licence including the change to allow pellet manufacturing operations in both the Peterborough and Toronto facilities will allow BWXT the flexibility to adapt to their changing business needs and operate for the next 10 years.

C. & T. Tool & Machine Inc. fully supports the Renewal of the BWXT Nuclear Energy Canada Inc. Class IB Fuel Facility Operating license for the Peterborough and Toronto facilities.

Sincerely,

Graig Sampson
President and Owner
