# Decommissioning the Douglas Point Waste Facility

Mayor Luke Charbonneau  
Intervenor

- The fastest growing community in our region.
- Hub for innovation and a centre of excellence in Canada's Nuclear Energy Sector.
- Douglas Point Nuclear Generating Facility a part of our history.
- The innovation of Douglas Point has accelerated our region to the forefront of low carbon energy production.

**The Town of Saugeen Shores officially supports the final decommissioning and eventual removal of the Douglas Point Waste Facility**

- Work with the CNL and CNSC to ensure the next phase takes into account perspectives in the community.
- The CNL's plans for the disposal of non-radioactive waste materials.
- The proposed routes and methods for the transportation of the radioactive materials. And ensuring safe and practical transportation routes.
- The hosting agreements the CNL has with communities where they intend to store the radioactive materials that will be removed.
- Review of steps to protect local landfill capacity.
- The compensation for communities providing long and interim storage of radioactive waste.

The aforementioned items detail the Town of Saugeen Shores' views and interests regarding the CNL application.
