Hello,

My name is Laurene Machenski. I work at the Blind River Refinery. My position here is Laundry/Sanitorial operator.

This company I work for is pretty awesome. We are able to provide our family with benefits to ensure their health. To work here in Blind River I am able to be near my family, especially now my dad is older I am able to be his caregiver.

Camec's Safety and environmental are pretty darn good. My first time working in a place like this. To have a company that puts Safety & environmental first compared to where my dad has worked in Elliot Lake at a mine is truly amazing.

I love to be involved with our community as a Cameco volunteer for many events.

Christmas for seniors luncheon.

I am an Elf.

Christmas children's Party

I am an Elf.

Easter for children

I am Bunny's Helper.

I strongly support that
Camero Blend River be granted
their 10 year licence renewal.

Thank You.
Lauene Machenski
