Therefore, Council is in support of the Cameco Blind River Refinery Licence Renewal for the 10 year period.

This business is a supportive member of our community and they have a strong safety performance record. Cameco has invested in our community over the years in different ways. By donating equipment to our Fire Department, Canada Day celebrations and their employees spend a day in our community at one of our parks for beautification. Cameco is an integral part of community wellness.

Yours truly,

Mayor, Tony Moor
