Re: [File #2022-H-13 - Canadian Nuclear Laboratories' application for a 10-year renewal of the Port Hope Project Waste Nuclear Substance License for the Port Hope Area Initiative](#)

The Northumberland Hills Association of REALTORS® (NHAR) supports the CNL's proposed renewal for the 10 year licence for the Port Hope Area Initiative.

NHAR is the local association of REALTORS® whose members work with the PHAI on a daily basis to assist our clients in understanding the project, the importance of having their properties cleaned up and how it will affect their properties moving forward. The PHAI office has been great to work with over the years and we look forward to our continued association with them.

We strongly believe that this license renewal is in the best interests of our members and the community.

Thank you,

 *ERIN BROWN*
