Ottawa, Ontario K1P 5S9

September 5, 2022

Subject: Canadian Nuclear Laboratories' application for a 10-year renewal of the Port Hope Project Waste Nuclear Substance Licence for the completion of the Port Hope Area Initiative - Reference Number: 2022-H-13.

Dear Secretariat:

I would like to thank Sandra Weeks for her continued support of Port Hope High School. Her ongoing commitment to our student and staff safety has been exemplary. In addition, she has supported the school through a donation of wood from our local site. This wood has been used to raise funds for the school and by our construction classes for projects by students and in our community.

Ms. Weeks' regular communication with the school and participation in our school affairs (e.g., School Council President) keeps us up to date on the progress CNL is making towards remediation of our area.

If you need additional information, please feel free to contact me any time. Thank you for providing the opportunity to intervene in this matter.

Sincerely,
Ron Macdonald, Principal, Port Hope High School
