

Canadian Nuclear
Safety Commission

Commission canadienne
de sûreté nucléaire

CMD 22-H7.149

File / dossier : 6.01.07
Date: 2022-04-11
Edocs: 6772248

**Written submission from
Christine Graham**

In the Matter of the

Canadian Nuclear Laboratories (CNL)

Application from the CNL to amend its Chalk River Laboratories site licence to authorize the construction of a near surface disposal facility

**Commission Public Hearing
Part 2**

May and June 2022

**Mémoire de
Christine Graham**

À l'égard des

Laboratoires Nucléaires Canadiens (LNC)

Demande des LNC visant à modifier le permis du site des Laboratoires de Chalk River pour autoriser la construction d'une installation de gestion des déchets près de la surface

**Audience publique de la Commission
Partie 2**

Mai et juin 2022

Canada

To Whom It May Concern:

I highly object and disapprove of the plan to store radioactive materials anywhere near the Ottawa River.

I have no technical expertise about the planned Disposal Facility but I don't think it takes a genius to know that for our generation and future generations to follow this is a bad idea given the proximity to the Ottawa River.

Find a spot away from the River.

Thank you,

Christine Graham
