

DESIGNATED OFFICER PROGRAM UPDATE: 2021

CMD 22-M39

September 15, 2022

Presentation Outline

- CNSC Designated Officer Program (DO Program)
- Designated Positions
- DO Authorities Carried Out in 2021
- Focus on the Non-Proliferation and Export Controls Division (NPECD)
- Update on DO Program Activities

Designated Officer Program Update: 2021 (CMD 22-M39)

CNSC Designated Officer Program

- Section 37 of the *Nuclear Safety and Control Act* (NSCA) gives the Commission the authority to designate DOs
- The Commission may designate DOs by name, title of office, or class of persons
 - CNSC DOs are designated by title of office
 - DO Authorities include licensing, certification and compliance decisions
- DO Program formalized in 2015 and provides training and resources that:
 - Allow for consistency in issuing and tracking DO certificates
 - Support DOs in making independent, effective, consistent, and transparent decisions
 - Inform, update, and report to CNSC staff and the Commission

See [Appendix A](#) for more information on DO duties under the NSCA
See [Appendix B](#) for more information on the current DO Program activities

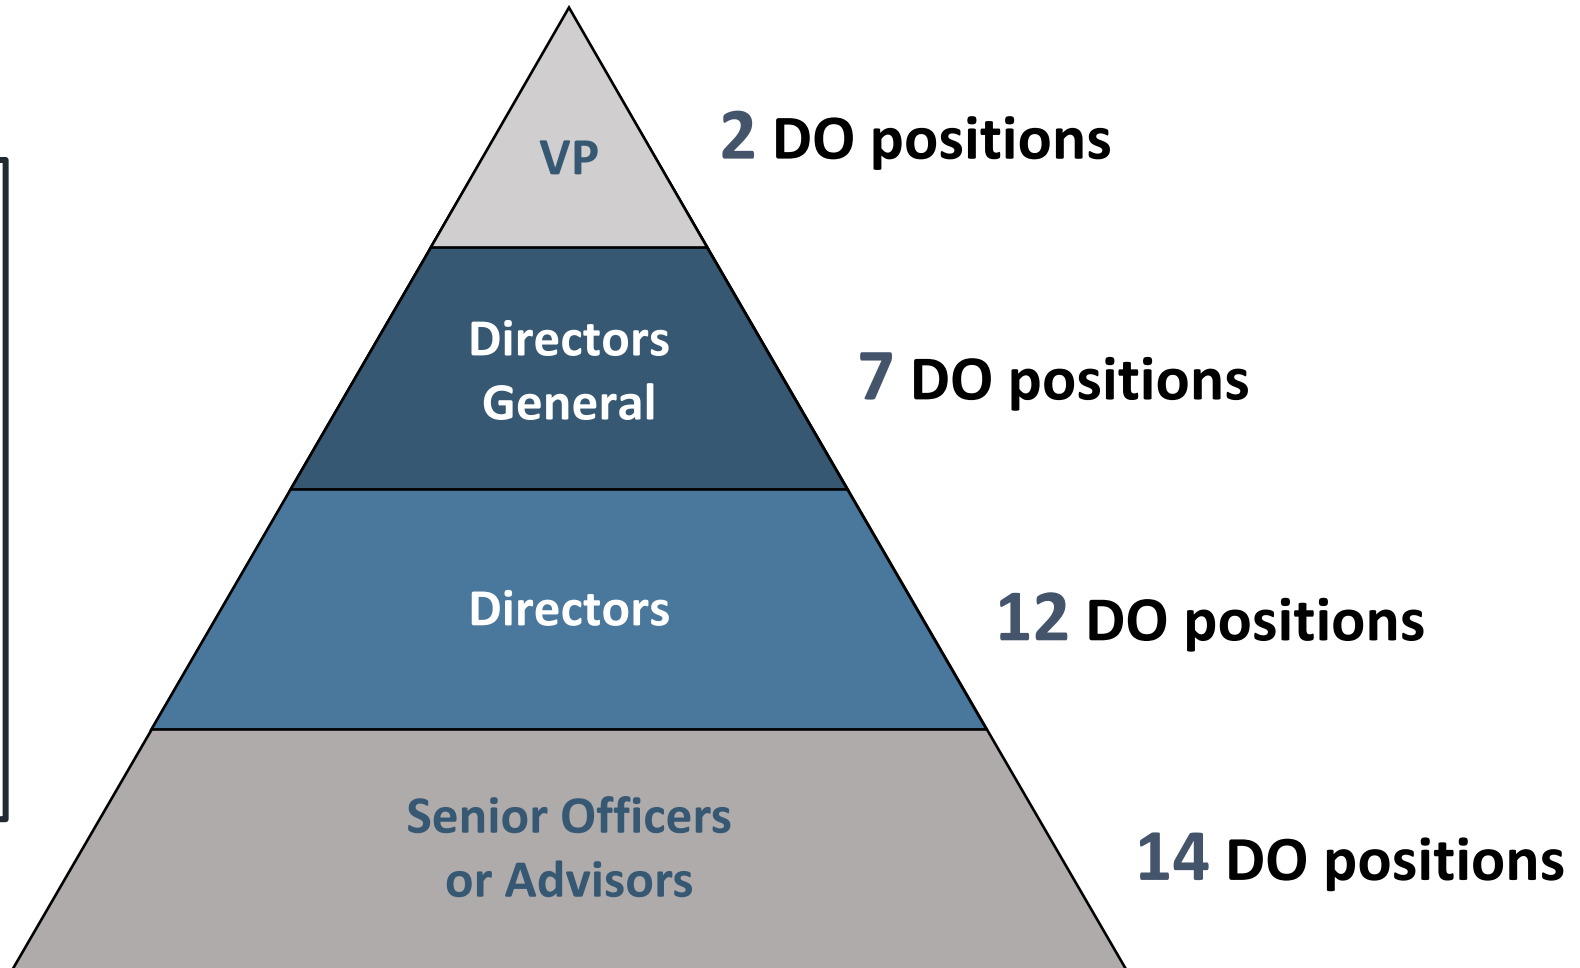

The DO Program exists to support DOs

DO Positions at the CNSC (1/2)

35 DO positions at the CNSC:

- Management positions are allocated the DO authorities of all positions that report to them
- DOs are issued a certificate setting out their duties
- DO authorities are not transferable

DO Positions at the CNSC (2/2)

See [Appendix A](#) for a summary of DO authorities under 37(2) and 65.05 (AMPs) of the NSCA

Decisions Reportable to the Commission (1/2)

The NSCA specifies DO decisions that must be reported to the Commission

- This report fulfils the reporting requirements
- Starting in 2021, the Commission Registry provides quarterly memos to the Commission with timely details on reportable DO decisions

Report to Commission

(5) A designated officer shall report to the Commission on

- (a)** a refusal by the designated officer to issue, renew, suspend, amend, revoke or replace a licence or authorize its transfer;
- (b)** the issuance by the designated officer of a licence that contains the condition that the applicant provide a financial guarantee referred to in subsection 24(5);
- (c)** a renewal of a licence where the terms or conditions of the licence are amended, or a suspension, amendment, revocation or replacement of a licence, other than an amendment of terms or conditions or a suspension, amendment, revocation or replacement made on the application, or with the consent, of the licensee; and
- (d)** a confirmation, amendment, revocation or replacement of an order under paragraph (2)(g).

Decisions Reportable to the Commission (2/2)

In 2021, DOs made **82 decisions** reportable to the Commission

37(5)(a)

Licensing refusals (including refusals to issue, renew, suspend, amend, revoke, replace, or authorize transfer)

3 refusals to issue a licence

37(5)(b)

Issuance of a licence with a financial guarantee

68 licences issued with a financial guarantee

37(5)(c)

Licence renewal with a change in licence conditions, or a licence suspension, amendment, revocation or replacement without an application or the licensee's consent

0 duties to report

37(5)(d)

Confirmation, amendment, revocation or replacement of an inspector's order

11 inspector orders confirmed or amended

More information on these decisions is provided in [Appendix E](#)

Other Notable DO Authorities

Administrative Monetary Penalties (AMPs)

- Section 65.05 of the NSCA allows the issuance AMPs to an individual or a corporation
 - Up to \$20,000 for individuals and up to \$100,000 for corporations

DO Orders

- Paragraph 37(2)(f) allows authorized DOs to make orders
 - Orders made by a DO must be referred to the Commission

	2017	2018	2019	2020	2021
AMPs	7	3	0	2	1

Details about AMPs and DO orders are available on the [CNSC website](https://www.cnscc.gc.ca/en)

2021 DO Focus Area

What we heard following the 2020 DO Program Update

- Commission interest in further details of specific DO authorities
- Questions regarding the DO decision making process

2021 DO Focus Area – Non-Proliferation and Export Controls Division (NPECD)

DO Focus Area – NPECD (1/5)

CNSC Import-Export Controls Program Objectives

- Enable legitimate transfer of nuclear items, nuclear-related dual-use items and risk-significant sealed sources, to be used solely for peaceful purposes
- Respect international obligations and commitments
- Implement key aspects of Canada's nuclear non-proliferation policy

Ensure exports from Canada are for peaceful uses

DO Focus Area – NPECD (2/5)

DO considers a range of information

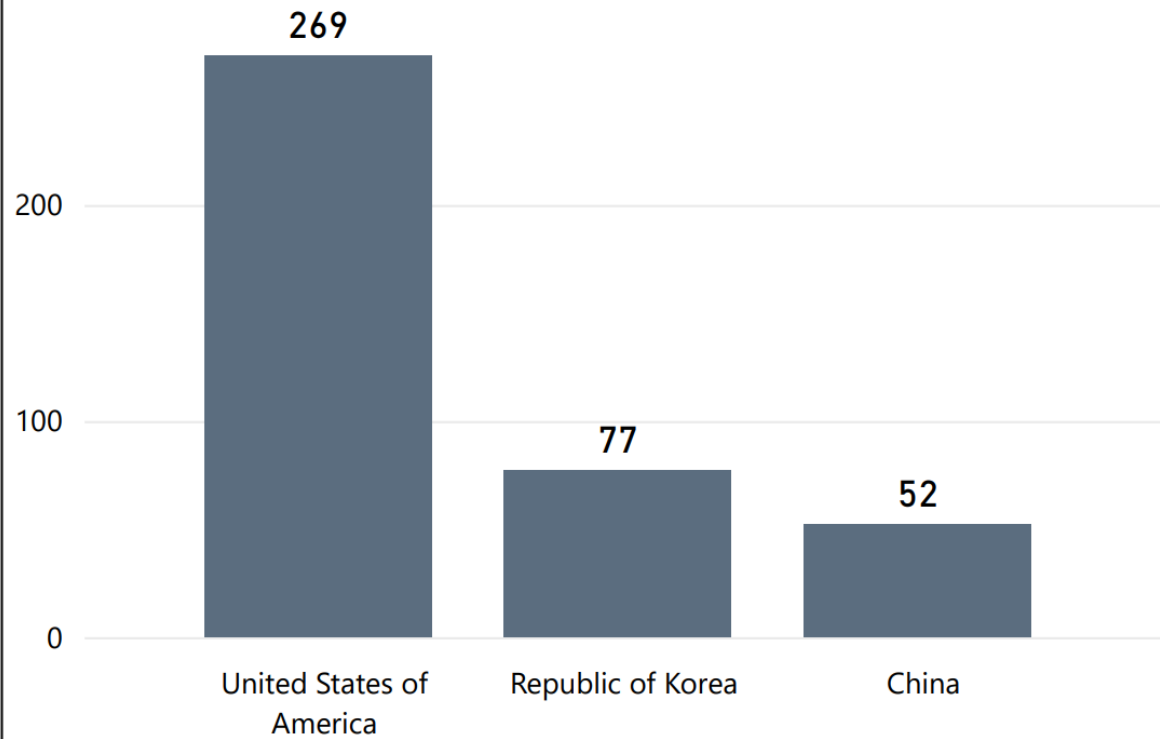

- Whether the other country is party to the Nuclear Non-proliferation Treaty
- The applicability of bilateral Nuclear Cooperation Agreements
- Risk of diversion
- Nuclear weapons/explosive-related activities in the end-user country
- Utility of the item(s) to a nuclear weapon or nuclear explosive device
- End-use and end-user are legitimate
- Regulatory capability of the Importing State to provide assurances that the sources will be managed safely and securely

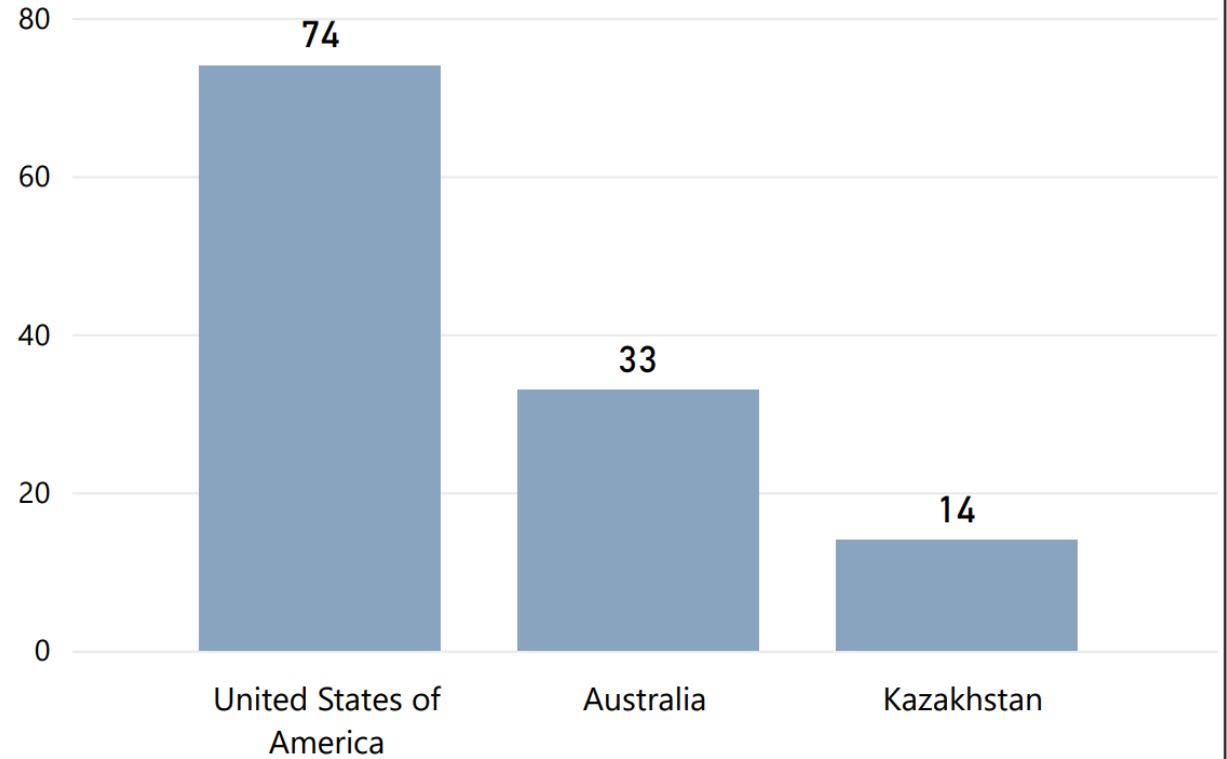

DO Focus Area – NPECD (3/5)

Nuclear and Nuclear-related Dual-use Items

Top 3 Countries - Licences Issued for Export in 2021

Top 3 Countries - Licences Issued for Import in 2021

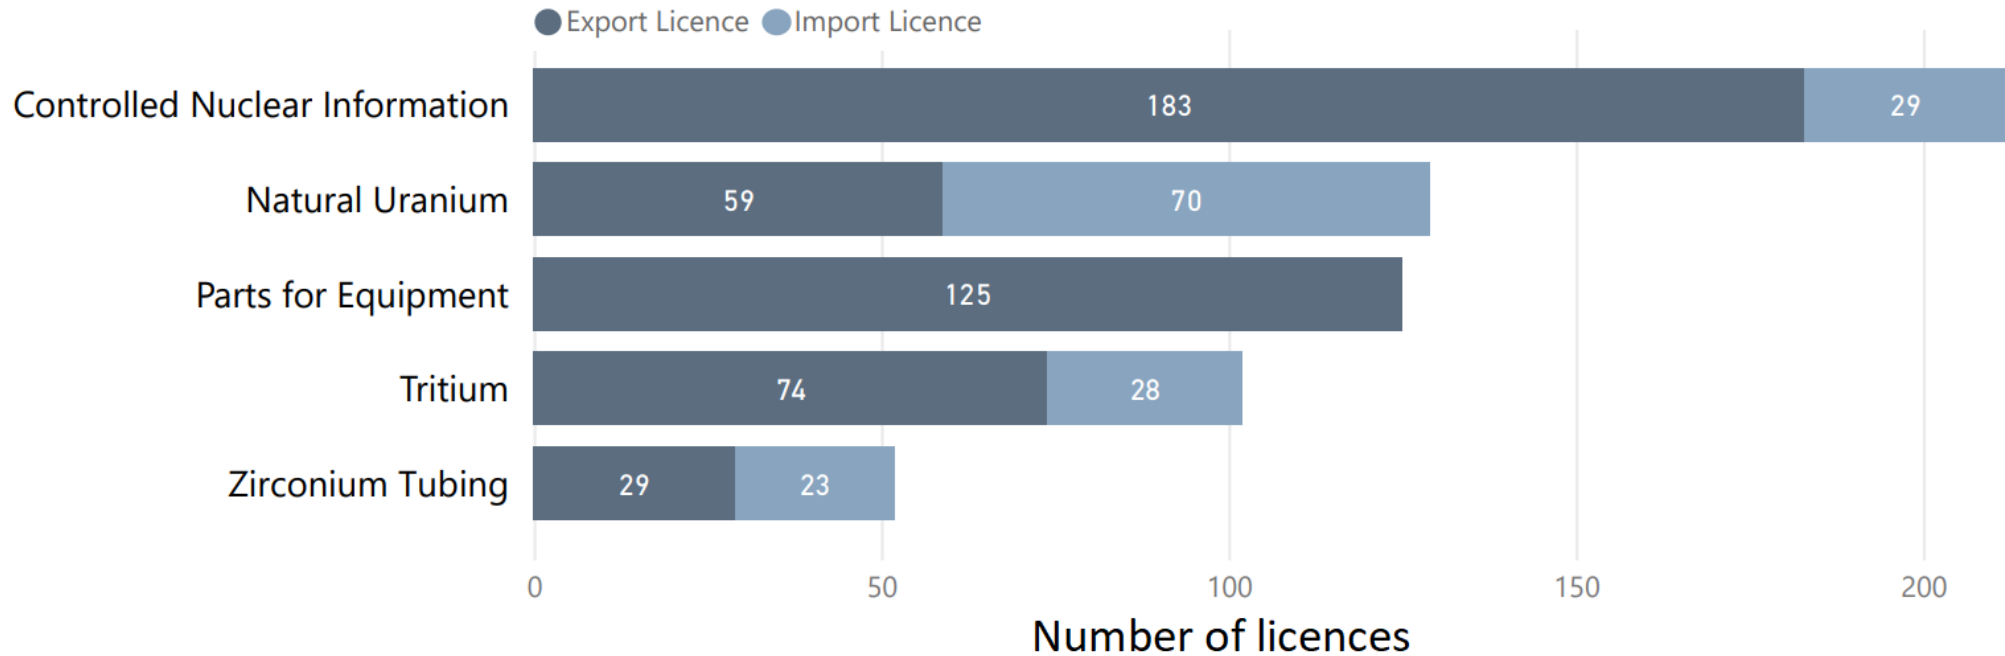

DO Focus Area – NPECD (4/5)

Nuclear and Nuclear-related Dual-use Items

Top 5 – Authorized Items in 2021

DO Focus Area – NPECD (5/5)

Risk-Significant Radioactive Sealed Sources

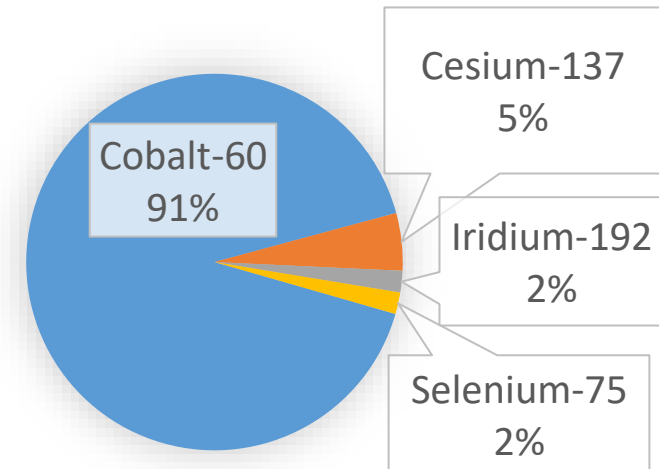

For industrial irradiation and medical applications

Top 3 Countries – Licences Issued for Export in 2021

1. United States
2. China
3. Republic of Korea

With total export licences authorized to 32 countries

Sealed Sources Authorized for Export in 2021

Canada is the largest exporter of Cobalt-60

DO Program Activities: 2021 and 2022

- DO Community Forums
- Recent improvements to the DO Program
 - Changes to the Program
 - Further strengthening the Program

See [Appendix B](#) for more information on the current DO Program activities

Partnership between DOs and DO Program players is vital

DO Community Forum (1/3)

Brings DOs together to:

- Share their knowledge, expertise and experiences
- Further strengthen relationships between members of the Community
- Provide DOs with up-to-date information about the tools and assistance available to them

Supporting a collaborative DO Community

Fourth DO Community Forum - June 4, 2021

- Second virtual forum, held in one 2-hour session (Agenda - [Appendix F](#))

Discussions and Highlights

- Refusal to issue a licence
- Complex case that required a whole of CNSC approach
- Legal Services perspectives on the standard for review
- Importance of available resources, such as the DO community and Legal Services

DO Community Forum (3/3)

Fifth DO Community Forum – May 5, 2022

- Third virtual forum (Agenda - [Appendix F](#))

Highlights:

- Importance of having regular DO Community Forums
- Value of partnership with Legal Services
- Considerations in DO decision making

2022 DO Program Updates

DO Program moved to Legal and Commission Affairs Branch (LCAB) on April 1, 2022

- Centralizes all Program functions under a single executive
- Allows greater synergy and efficiencies
- Provides further opportunities for Program enhancements

Improvements underway

- DO Program review
- Streamlined reporting to the Commission and training for new DOs
- Document revisions
- Repository of frequent questions and answers

Continuous improvement is essential to the success of the DO Program

Conclusions

- In **2021**, CNSC DOs carried out **3,280** authorities
- **82** decisions were reportable to the Commission
- NPECD DOs ensure exports from Canada are for peaceful uses
- Centralized DO Program enhances and strengthens support to DOs

The DO Program is a key and effective component of the CNSC's licensing and compliance framework

APPENDIX B

DO Program Overview

DO Qualifications and Training

- Self-directed learning using the internal **DO Community Webpage**
- Briefing with the VP-LCAB or designate on applicable legislation, DO decision-making, questions pertaining to DO authorities and DO Certificate
- Briefing with the DO Program lead on DO training activities, tools and resources available to DO when carrying out DO authorities
- On-the-job coaching, peer consultations, learning of operational matters
- In-class training on DO orders

The DO program ensures that DOs continue to have the knowledge and tools needed to perform their duties

DO Program Assistance Activities and Tools

- **Program and process documents**
- **DO Community Webpage:** Main tool of the program
 - Contains existing program and process documents for all DO authorities, contacts, links to other intranet tools of the DO Program
- **DO Community Forum**
 - Provides DOs with a venue for sharing knowledge, expertise, experiences; further strengthening the relationship between members of the DO Community; offering DOs feedback on the DO program
- **DO Program Bulletin Board, DO Program Mailbox**
 - Allow to provide updates on the DO program and to obtain feedback on the DO program
- **DO decisions tracking, DO Program reports to the Commission**

DO Program Overview: Documentation

Maintenance of Designated Officer Program

Describes existing:

- Activities for implementation and maintenance of the Program
- Approach for DO training and assistance
- Tools and resources to assist DOs
- Roles associated with Program activities
