This form supports the [Directive on Requesting Confidentiality](#). Review the Directive for important information about completing this form and the documents that must be submitted with it.

The completed form and attachments **must be submitted to** the [Commission Registrar](#).

With regard to: Rook I Uranium Mine and Mill Project Canadian Nuclear Safety Commission (CNSC) Public Hearing Reference: 2025-H-12

I, Matthew Michetti, am an authorized representative of Willow Lake Métis Nation, I understand that:

- material provided to the Canadian Nuclear Safety Commission (“the Commission”) as part of a public hearing will be made publicly available unless the Commission makes a decision to protect it; and
- regardless of any request for confidentiality and decision by the Commission, the material may be disclosed if the Commission is required by law to disclose it (for example, after a request under the [Access to Information Act](#)).

I hereby request that the Commission take measures to prohibit the publication and disclosure of the following information under rule 12 of the [Canadian Nuclear Safety Commission Rules of Procedure](#) (the Rules).

NOTE 1: Any additional protective measures being requested must be identified in a letter attached to this form.

Material for which a request for confidentiality is submitted:

The material that is subject to this request for confidentiality is clearly identified in Table 1, below.

NOTE 2: Where the request for confidentiality applies only to part of a document, relevant portions must be clearly identified “CONFIDENTIAL” to distinguish them from content that is non-confidential.

NOTE 3: The Commission is not responsible for any copyright infringement due to its publication on the CNSC website of documents that have been written by a third party.
