Fully releasable ATIP: **Yes / oui**

From Ross Richardson
De Director, Pickering Regulatory Program Division

Subject CNSC Staff's Review of OPG's Request for Confidentiality - PWMF Safety Assessment - 26-H7
Objet

PURPOSE

The purpose of this memorandum is to provide CNSC Staff's comments to the Commission regarding the matter of the Ontario Power Generation Incorporated (OPG) request to protect from public disclosure the information submitted in the request for confidentiality: [CMD26-H07-OPG-RFC.pdf](#)

DISCUSSIONS

To CNSC staff's knowledge, OPG's document provided in the confidentiality request has not been made available elsewhere publicly and has been consistently treated as confidential in CNSC staff's dealings with OPG.

CNSC staff reviewed the redacted document provided by OPG. OPG notes that the redacted information is considered prescribed information in accordance with the *General Nuclear Safety and Control Regulations* (GNSCR). CNSC staff are of the opinion that:

- The redactions pertain to nuclear substance and security information that is in accordance with subsection 21(1) of the GNSCR.
- The redactions do not change or otherwise impact the findings or conclusions of the document.

CONCLUSIONS

CNSC staff have reviewed OPG's request for confidentiality and have found it to be appropriate. It is CNSC staff's recommendation that OPG's request be accepted by the Commission.
