**Re: Canadian Nuclear Laboratories (CNL) Application to Renew for a 10-year
Operating Licence for the Chalk River Laboratories (CRL)**

I am writing on behalf of Pembroke City Council support for CNL's application for renewal of its operating licence. Council voted unanimously to support the application, as follows:

Motion:

Moved by Mayor LeMay

Seconded by Councillor Scott

THAT the Planning and Development Committee of Council submit a letter to the Canadian Nuclear Safety Commission in support of the operating licence renewal application for the Chalk River Laboratories, submitted by the Canadian Nuclear Laboratories.

CARRIED

CNL has an excellent safety record. We are confident that they have an unwavering commitment to safety and well-being of the public and protection of the environment.

CNL is a major employer in the Upper Ottawa Valley and is a valued partner in the economic growth of our region. The nuclear products and services CNL provides are important for the continued development of peaceful and innovative applications for businesses.

We are looking forward to a positive outcome of your deliberation.

Yours truly,

Michael LeMay
Mayor, City of Pembroke
