

Request for Confidentiality of Material Submitted in Relation to

OF MATERIAL SUBMITTED IN RELATION TO CMD # 24-H7

In the matter of:

CNL's Application for the Whiteshell Laboratories Licence Renewal

This request has been prepared in Canada, in the province of Manitoba, in the matter of the licence renewal for Canadian Nuclear Laboratories' Whiteshell Laboratories, scheduled for consideration in a hearing, scheduled for October 23-24, 2024.

I, Randall Swartz, of 1 Ara Mooradian Way, Pinawa, Manitoba, am an authorized representative of Canadian Nuclear Laboratories. I understand that:

- documents and information ("the material") provided to the Canadian Nuclear Safety Commission ("the Commission") as part of a public proceeding may be made publicly available;
- the material is considered confidential only if it is prescribed information under the [Nuclear Safety and Control Act](#) (NSCA), as defined in section 21 of the [General Nuclear Safety and Control Regulations](#), or if the Commission takes measures to protect the information; and
- regardless of any request for confidentiality or approval of same, the material may be disclosed if the Commission is required by law to disclose it (for example, after a request under [Access to Information Act](#)).

I hereby request that the Commission take measures to protection the following information, pursuant to rule 12 of the [Canadian Nuclear Safety Commission Rules of Procedure](#):

Note: Where the request for confidentiality applies only to part of the submission, the portions to be deemed confidential must be clearly identified to distinguish them from any content that is non-sensitive.

- The above-noted material should be protected for the following reasons:
 - Nuclear security
- I attest that the above-noted material is not available through any public sources.

Request for Confidentiality

3. I have included a **summary** or **redacted** version of the material that provides adequate detail to satisfy the public interest in public hearings and disclosure of evidence.
Summary: This document details the plan that was implemented for standing up Canadian Nuclear Laboratories' Tiered Response Force (TRF) within the Security department at Whiteshell Laboratories.
4. I understand that if this request is not approved by the Commission, I may withdraw the associated material within five business days of receiving written notice of the Commission's decision from the Commission Registrar (except as noted in items 5 and 6, below).
5. Notwithstanding item 4, above, I understand that if submission of the material is required pursuant to reporting requirements under the [NSCA](#) or the regulations under the NSCA, or pursuant to a licence issued under the NSCA, or if the material is specifically requested by the Commission, it may **not** be withdrawn.
6. I understand that upon receipt of this request, the Commission Registrar will treat the material that is subject to this request as confidential unless and until the Commission makes a ruling to deny this request.
